## The basics:

There are 13 children in each class (there are 3-4 teachers, but don't feel pressured to include enough for them). Bring snack when you bring your child to school and drop it off in the kitchen.

## The details:

Snacks can be as simple as a box of dry cereal to a letter themed food. We will usually finish at least one box of crackers/gallon bag of fruit or veggie, we will always have back up snacks, so don't worry about there being enough. For individually packaged items, bringing one of each is also completely fine (or if there is an odd number left over we can divide it up). We will gladly keep leftover snacks for use another day or for when children are hungry outside of snack time. We welcome any kind of fruit, vegetable (we can heat canned or frozen vegetables as well). Enjoyed with that is any kind of muffin, bread, cracker, cookie, etc. We've also enjoyed "real food" like pasta, pizza, rice, quesadillas, etc! You might hear your child talk about friends who eat their own "safe snack." Per our policy, children with food allergies/sensitivities have their own alternative "safe snacks."
