Signed up to bring non-perishable snacks?

Your name isn't assigned to any specific day, simply bring them to the kitchen anytime during the school year. Label the package with your child's name so we can serve it to their class and thank them! Any non-perishable snacks are welcome! Snacks can be individually packaged or regular bulk packages.

The basics:

There are 13 children in each class (there are 3-4 teachers, but don't feel pressured to include enough for them). Bring snack when you bring your child to school and drop it off in the kitchen.

The details:

Snacks can be as simple as a box of dry cereal to a letter themed food. We have freezer and refrigerator space available. We will usually finish at least one box of crackers/gallon bag of fruit or veggie, we will always have back up snacks, so don't worry about there being enough. For individually packaged items, bringing one each is also completely fine (or if there is an odd number left over we can divide it up). We will gladly keep leftover snacks for use another day or for when children are hungry outside of snack time. We welcome any kind of fruit, vegetable (we can heat canned or frozen vegetables as well). Enjoyed with that is any kind of muffin, bread, cracker, cookie, etc. We've also enjoyed "real food" like pasta, pizza, rice, quesadillas, etc! You might hear your child talk about friends who eat their own "safe snack." Per our policy, children with food allergies/sensitivities have their own alternative "safe snacks." Don't feel limited to these suggestions or "kid friendly" food...we like to introduce new foods especially when we have a peer who enjoys it!
